### **Parish Life Survey**

In December, Bishop Larry will come to our parish for his Episcopal Visitation. Bishop will preach at all weekend Masses and meet with parish leadership and interested parishioners. We, the Pastoral Council have been charged with preparing a pastoral plan for Bishop's visit. A mission-driven parish is one in which the Gospel has come alive in the lives of the people. Parishioners have heard Jesus' call to become his followers and are trying to live as faithful disciples. The role of the parish is to help its members grow closer to Jesus. To prepare for Bishop's visit, the pastoral council has developed this Parish Life Survey. This self-study is intended to help our parish assess the programs we already employ and to see what areas may need improvements. This survey relies on your assistance to develop a perception of our parish lives. Please take a few minutes to complete this survey now. Thank you!
