THE MOST HOLY TRINITY

Weekend of June 10-11, 2017

MESSAGE FROM THE PASTOR

Last Sunday we celebrated the feast of Pentecost, feast of the Holy Spirit and we have reflected on the Holy Spirit. We had answers for the four W and one H questions; namely, Who, Why, What, Where and How about the Holy Spirit. It is good to reflect on the gifts and fruits of the Holy Spirit.

The Seven Gifts of the Holy Spirit are Wisdom, Understanding, Knowledge, Counsel, Fortitude, Piety and Fear of God. Let us see what does this mean to us believers.

Wisdom: With this gift the Christian is given a special grace to “ponder divine realities” in his/her speculative reason. We are able to see the big picture and know how best to be an instrument of peace and harmony in our world.

Understanding: This is the ability to have a supernatural assurance of the matters of faith. Life makes sense. We can make sense of the deeper parts of revelation, make sense of suffering and understand those things that tempt us to doubt. With this gift we come to see how everything in life can work for good in accordance with God’s plan.

Knowledge: With this gift the Christian knows, more in the practical intellect, what God’s will is in this or that situation. We know how to live, how to discern God’s will and what decision to make in our daily life. It also enables us to learn from our past mistakes.

Counsel: With this gift the Christian sees him/herself as a link in a chain which makes up the entire Church. God uses each one of us to help and support one another on our journey. We know what to say and how to act so as to do our part to build up one another.

Fortitude: Simply put, it is a firmness of mind and spirit to do good and avoid evil. It’s a sort of Christian courage. The Gospel will call all of us to a radical life of love. Fortitude gives us the strength we need to follow through.

Piety: This gift enables us to first reverence and love God, but also to see the dignity of one another and reverence each other as children of God.

Fear of the Lord: With this gift the Christian becomes keenly aware of anything that may hurt his/her relationship with God. There is a holy “fear” of hurting this relationship and grace is given to avoid these things at all cost.

These gifts are poured on to us to bear fruits of the Holy Spirit, Love, joy, peace, patience, faithfulness, gentleness, kindness, generosity, and self-control. Let us remind ourselves that we are the **TEMPLES OF THE HOLY SPIRIT!**

The Trinity as a Starting Point for Evangelization

By: Kristina M. DeNeve, Ph.D. Evangelization Coordinator Diocese of Honolulu

Today's Solemnity gives us something awesome we can share with others, esp. those who think that all faith beliefs are essentially "the same" or "equal."

The truth is that while the world's religions have much in common, Christianity is the only religion proclaiming God is three Persons. Three Persons in one. God, eternal mystery, made and continues making all creation. (This is where most people stop – every religion has a god who creates the world.)

But that is not the end of the story. God is not simply creator. Unfathomably, God literally became a human being, all the while maintaining his full divinity. Know this: we are the only religion in the entire world who believes that God became human.

But that is still not all. God, unexplainable mystery, literally resides in you and I, working in and through our lives, through the Body of Christ, the Word, the Sacraments, etc... Through Pentecost, through the Holy Spirit, God continues becoming human, working through humans, creating all good that exists in our world.

Stuck wondering how/where to begin evangelizing? Start with the Trinity! Do you relate more to one of the Persons of the Trinity than the others? How do you relate to each Person? What does God mean to you in your life?
