A STEWARDSHIP REFLECTION FOR THE SIXTH SUNDAY IN ORDINARY TIME

Today's readings speak of an essential quality for the Christian steward — hope. According to the *Catechism of the Catholic Church*, "Hope is the theological virtue by which we desire the kingdom of heaven and eternal life as our happiness, placing our trust in Christ's promises and relying not on our own strength but on the help of the grace of the Holy Spirit (CCC 1817)." In many ways, this is the very definition of a stewardship way of life — focusing on eternity as we live our daily lives and relying on God to provide for our needs and satisfy our deepest longings for meaning and happiness right now.

In today's Gospel from Luke, Jesus describes the true richness of life that is possible for those of us who are willing to live as his hope-filled disciples. We are all familiar with this passage in which Jesus reveals the Beatitudes: blessed are the poor; they have the kingdom of God. Blessed are those now hungry because they will be satisfied. Blessed are those who weep because they will laugh. Blessed are those who are hated, excluded, and insulted because they are disciples of Jesus; they will be greatly rewarded in heaven. Jesus is describing here the character of one who is living a life of hope — the life of a Christian steward whose trust is firmly rooted in God and who is focused on others and eternity. It is not always an easy life, but it is a deeply meaningful life and one that leads to eternal reward.

Father, as we prepare for World Marriage Day, we thank you for your tremendous gift of the Sacrament of Marriage. Help us to witness to its glory by a life of growing intimacy.

PLANTED NEAR WATER

Tracy Earl Welliver, MTS

Everyday Stewardship

We all know that there are times when life can feel, as Jeremiah writes, empty and wasted. What replenishes you as a disciple, as a steward, as a Christian? If it feels far away or hard to reach, why is that? How can you bring it closer?

We all know that there are times when life can feel, as Jeremiah writes, empty and wasted. There are moments when we think we resemble a barren bush, thirsting in the desert sun.

That's why it is imperative for us to know the location of our water source. I promise you, it's closer than you think. God never planted a seed in barren ground.

For me, it's the Mass. Going to Mass is where I find total peace and renewal. I don't have any great theological explanation for this — Mass is simply where I can truly rest in God for a time, where nothing and no one in the world can touch me. And wouldn't you know it, it's in the toughest times that I need Mass the most — that my roots stretch harder for that water.

Woe to the rich, says Jesus — woe to the popular, to the content, to the happy. It's not because He hates to see us smile. It's because He knows our humanity. He knows our limitations. He knows that when things are going really well, we often stop looking for God.

What replenishes you as a disciple, as a steward, as a Christian? If it feels far away or hard to reach, why is that? How can you bring it close

We are all trees planted near water, to yield our fruit in due season. Let's pray for the strength to know where our water source is, and to seek it both in good times and in bad.

MISSION STATEMENT

Our Lady of Sorrows Church is a Catholic, faith-filled community united and founded on the teachings and love of Jesus Christ to serve the needs of all parishioners and, through its ministries, to foster and nurture their growth in faith.

Our Lady of Sorrows Church believes in stewardship as a way of Christian living. As stewards, it is our responsibility to give back to God the best that He has given us, by giving of our time, talent and treasure.

As a unified and welcoming parish of the Universal Church, we reach out to all of God's people through education, through social action, through worship and through proclaiming and living the Gospel of Jesus Christ.
