Your help is once again needed to UN-decorate the church Christmas décor on **January 13 at 8:30 AM.**

New Parish Hall

Our Parish Hall . . . *Going Forward*

We thank all of you for your continuing support. As we are aware, the extended length of time taken to get through the permit process with our Architect remains unsuccessful. As such, meetings with Fr. Ajith; Chairpersons of the Building, Finance, and Development committees; Project Manager (who has worked to provide data, information and guidance); and with the consultation and support from the Diocese, we are ending our working relationship with the Architect.

This provides all of us a new opportunity to move forward, and review our specific design needs. We have an *Action Plan* in place and have already started the process!

We will have a short informational presentation after each of the Masses next weekend, January 14-15. Question and answer session to follow.
