Serving is a Gift From God**

By Clarissa M. Emayo, "Love One Another" Soup Kitchen & Food Pantry, Holy Cross Parish, Kauai

As faith is a gift from God, those we serve are also gifts from God. The less fortunate help us to grow in faith and to grow closer to our Lord Jesus Christ. Whether we choose to see them or not, they are companions on our faith journey. They are always there as reminders for us to love and to serve and by doing so, we are loving Him above all else.

How many times have we passed someone on the street only to have that feeling inside that we should've stopped and offered something? Sometimes we just look the other way. Imagine that was Jesus we ignored and walked past without helping.

Social Ministry, serving others, is in itself, evangelizing. When we serve, it is the Bible in action, the Word of God in motion, our faith in action. Serving needs no words, it is simple gestures. A smile, giving something, hugging someone, a loving look or even just a small touch on the shoulder, it can also be a prayer for someone. Something that tells them, you are special, you are loved. When we share our blessings with others in a way we are saying, "God is good, His love is overflowing and abundant and we want to share it with you because you are loved."

Our Religious Education classes begin this weekend. We commission this year's catechists at the 9:00 AM Mass today and thank them for their service of sharing their faith with our children.
